R.F. Carlson Co. is pleased to announce

### Value Plus

~ A complimentary no obligation service ~

Our program offers systematic evaluations in the following areas:

- ◆ The use of expensive name brand versus equivalent less expensive parts
- ◆ Part function and assembly
- ◆ Ordering, inventory and part flow efficiency
- ◆ Labeling/rebagging redundancy

We will utilize our 50 years of experience in the field of o-rings, gaskets, custom molded rubber and other related parts to evaluate all facets of the manufacturing and procurement process.
